
AMEYA HEIGHTS

BUILDING SPACES · SHAPING LEGACIES

Partner & Investor Welcome Kit

Brand identity, logo and usage essentials

The Logo

AMEYA HEIGHTS

BUILDING SPACES · SHAPING LEGACIES

Use the dark wordmark on light backgrounds and the reversed wordmark on Architect Black or imagery. Maintain clear space around the lockup. Do not stretch, recolour, add effects, or alter the macron accent. Vector files (SVG) are included alongside this kit: ameya-heights-logo.svg and -logo-reversed.svg.

Colour

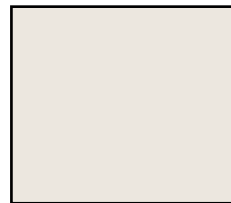

Architect Black
#100F0D

Brass
#C2A05B

Brass Deep
#A8863F

Sand
#ECE7DF

Stone
#9A958C

Brass is an accent only — at most one brass-filled call-to-action per screen. Black & white carry the brand.

Typography

Cormorant Garamond

Headlines & editorial moments (serif, 24px and above)

Inter — interface, body & captions

All UI, paragraphs, labels and navigation

Voice

- Considered, precise and quietly confident.
- We build for permanence — measured by the decades a place serves, not the speed of delivery.
- Transparent terms. No hidden layers. Relationships that outlast the transaction.
